Routledge handbook of comparative political institutions / edited by
Jennifer Gandhi, Rubén Ruiz-Rufino.

pages cm

Summary: "The Routledge Handbook of Comparative Political
Institutions (HCPI) is designed to serve as a comprehensive reference guide
to our accumulated knowledge and the cutting edge of scholarship about
political institutions in the comparative context. It differs from existing
handbooks in that it focuses squarely on institutions but also discusses how
they intersect with the study of mass behaviour and explain important
outcomes, drawing on the perspective of comparative politics"-- Provided
