Dear Eric:

On behalf of the Center for Iberian and Latin American Studies and its evaluation committee, I am pleased to announce that you have been awarded a CILAS Dissertation Grant. Congratulations!

To assist you in your research project, the committee has agreed to provide you with a total of \$1,500.00 for partial defrayment of travel and research expenses. We realize that this is a modest sum, but we hope that your success in our competition will assist you in raising additional support from other sources. Please take note of the following conditions:

1. You must provide CILAS with evidence that you have completed all program requirements except the dissertation;
2. Within a month after completion of the thesis (or by May 31, 2000, whichever comes first) grantees must submit a 2-3 page written report to CILAS about the project;
3. Grantees must acknowledge funding from CILAS in any thesis, paper, publication, or other result of this grant.

As part of the activities associated with this award, we ask that you attend a reception in honor of the CILAS grant recipients. This event will take place on the patio of the Institute of the Americas Complex on Thursday, May 27 beginning at 4:30 p.m. We hope you will take this opportunity to become better acquainted with other UCSD Latin Americanists, we hope to see you there.

Please direct questions about logistics and details of your award to the CILAS administrative specialist, Nora Bodrian at 822-0273.

With best regards,

Peter H. Smith  
Director
